GIRLS LEAP TO DEATH

TRAPPED IN BURNING BUILDING, FACTORY EMPLOYEES JUMP FROM TENTH FLOOR.

One Hundred and Forty-eight Deaths Result From One of Worst Disasters in History of New York.

New York. One hundred and forty-eight persons, nineteen of whom girls from the first story were crushed to death in the "pennsylvania" building, which was burned to a cinder in a factory fire Saturday afternoon in the worst disaster New York has known since the burning of the "pennsylvania" in North Brother Island in 1904.

One hundred and forty-eight persons were rescued from the ruins and seven of the fifty injured died in hospital. This is a record, comparable the list of dead, most of whom are unidentified. One hundred and forty-eight persons were rescued from the ruins and seven of the fifty injured died in hospital.

The victims of the disaster were employees of the Triangle Waist company, which had its office in a ten story factory building.

The fire started in the electric motor room, which supplied power to the hundreds of sewing machines in the various floors. It spread so rapidly that all escape was cut off on the stairs and five escapes below the seventh floor.

Crushed by terror, the men and women workers abandoned all efforts to fight their way through the smoke-filled hallways to the stairs or to the exits and jumped madly from the windows.

Within ten minutes after the blaze was discovered, thirty-five crushed and mangled bodies were lying below on the pavement.

The building, which is at the corner of Washington place and Broad street, is one of the largest in the building manufacturing district. There were 1,400 men and women employed in it when the fire started, but within a few minutes the seventh floor alone managed to escape.

DIAZ CABINET QUILTS

EVERY MINISTER TENDERS HIS RESIGNATION TO THE PRESIDENT OF MEXICO.

General Diaz Intends to Surround Himself With Younger Men in the Hope That Such Action Will Unite All Elements.

Mexico City. The Diaz cabinet resigned on Friday. Following a meeting of that body in the afternoon every minister tendered his resignation to General Diaz.

Members of the cabinet refused to comment upon their action, but it is said unofficially that initiative was taken, not by them, but by the president, who it is believed here, proposes to surround himself with younger men in the hope that such action will serve to unite all elements of the nation.

The new members of the cabinet will be Francisco de la Barra, Mexican ambassador to the United States, to succeed Enrique Creel as minister of foreign relations, Donato Macias, judge of the supreme court, minister of justice, succeeding Justino Fernandez, Norberto Dominguez, postmaster, department of communication, succeeding Leandro Fernandez, Manuel Marquina, well known civil engineer, department of fomento (promotion of colonization and industry), succeeding Olvera, minister of education, succeeding Justo Sierra.

General Hernandez Reyes will be recalled from Paris to become minister of war, while Jose Yves Limantour is to retain his portfolio as minister of finance, the only member of the old cabinet to be retained.

PEACE PROSPECTS BRIGHTER.

De La Barra Expected to Aid in Solving Problem for Mexican Government.

Washington. With the departure of Mexico City of Francisco Leon de la Barra, the Mexican ambassador to the United States, who has been appointed minister of foreign affairs in the new cabinet of President Diaz, official Washington believes the initial stage of an era of peace in Mexico has been inaugurated.

President Taft and Secretary Knox, as well as the members of the diplomatic corps, it is known, share this belief.

Minister de la Barra's mission to Mexico, in the face of present conditions in that country, is regarded here as the most significant occurrence in the Mexican situation since the initial stage of an era of peace in Mexico has been inaugurated.

President Taft and Secretary Knox, as well as the members of the diplomatic corps, it is known, share this belief.

HUGE SWINDLE UNEARTHED

New York Broker Charged by Post Office Inspectors With Using the Mails to Defraud Stock Buyers.

New York. In a raid on the stock brokerage offices on Avenue in Fifth Avenue, occupied by Wiener & Co. and the Standard Securities company, post office inspectors charge that in regularity amounting to more than \$1,000,000 had been brought to light. Transactions in excess of \$10,000,000 throughout the country are involved in the two concerns in the last few years.

Arthur and Samuel R. Wiener, co-owners of the Standard Securities company, and George S. Trumbull, chief clerk, were arrested. The charges in using the mails to defraud by selling worthless stocks.

The specific charge is that the Wiener, through mail correspondence, represented to stock purchasers that the Standard Securities company was actively at work which was a matter of fact, according to the charge, the company was dormant and had lost its life in 1905 in the property it was claimed to be operating.

Windstorm Brings Ruin. Buildings Unroofed and Railroad Put Out of Commission by Hurricane.

Philadelphia. A severe electrical storm, accompanied by a high wind, which at times blew with cyclonic force, swept over the northern section of this city shortly after 6 o'clock Monday night, causing destruction in its wake.

Buildings were demolished, houses unroofed and the New York division of the Pennsylvania railroad was placed out of commission by the destruction of its tower at Holmesburg and the station at Taunton. New York trams are being routed via the Trenton route, which was out in the path of the high winds.

Getch is Still Champion. Salt Lake City. In two straight falls, Frank Getch, world's champion heavyweight wrestler, defeated Jack Leach, the Hawaiian giant, in this city Monday night. The match was for the world's championship, and was witnessed by a large crowd. The first fall came in twenty-five minutes with an inside Nelson hold, and the second in ten minutes with a toe hold, but the champion generously declined to count this fall on account of the prejudice against the hold and allowing Leach to wriggle out of the hold, placed his shoulders to the mat for the third time with a reverse Nelson.

New Law Saves Man's Life. Boise, Idaho. The passage of a small bill of 100 words by the eleven Idaho legislature has already saved one man, Robert Worth, alias Edward Smith, from the gallows for murder and will determine the fate of others now on trial for murder in the first degree. This little but extraordinary important bill was introduced by Senator G. H. Parks of Kootenai county. It places in the hands of a trial jury power to elect whether a defendant on trial for murder in the first degree shall hang or be imprisoned in the state penitentiary for life.

Disastrous Blaze in Boise. Boise, Idaho. One of the most startling and disastrous fires that has visited Boise in years Monday afternoon gutted the large wholesale house of Carlson & Lock, the leading southern Idaho hardware firm, causing a loss estimated at \$100,000, covered by about \$10,000 insurance. The fire was only placed under control after four hours of battling. Every fireman in the city responded to the call for assistance.

Celebrating Jubilee of Unity. Rome. The celebration of the Jubilee of Italian unity began Monday with the formal opening by King Victor Emmanuel of the international art exhibition. On Wednesday a universal exhibition will begin at Turin, where, in 1901, Victor Emmanuel II, grandfather of the present monarch, assumed the title of king of Italy (as Victor Emmanuel II).

Doctor Dies From Pin Scratch. Los Angeles. Dr. H. G. Gates, superintendent of a local hospital, and a leading surgeon of the city, died early Monday of blood poisoning, the result of having accidentally pricked his hand with a safety pin while bandaging a wound in the operating room a week ago.

Still Talking About Silver Service. Washington. The Pastors' federation of this city has decided to appeal to President Taft from the decision of the secretary of the navy, who declines to reject the silver service bearing the likeness of Brigham Young, proposed to be presented to the battleship Utah.

House Committee Formulating Rules. Washington. Democratic members of the new committee on rules of the house, headed by Representative Henry of Texas, the chairman, met Monday and will be in session daily until congress convenes.

Bankers Approve Aldrich Plan. Washington. The currency committee of the American Bankers' association, representing 12,000 of the 22,000 banks of this country, unanimously approved the Aldrich plan of monetary reform on Monday.

Engineer Shot by Strike Sympathizers. Somerset, Ky. Violence was renewed along the Cincinnati, New Orleans & Texas Pacific railroad Friday, when Engineer William O'Brien was shot in the knee at 10 1/2 miles.

Will Attend Ceremony. Washington. Rear Admiral Charles E. Vreeland, now in command of the Atlantic fleet, has been detailed to represent the navy at the coronation of King George V.

Children Poisoned by Noodles. Vancouver, B. C. William Gould, aged 7 years, and Clyde Gould, aged 3, died in agony Thursday after partaking of some "noodles" purchased in a Chinese restaurant. An investigation is being conducted.

Remedy for Fruit Tree Pest. San Jose, Cal. That he has found a solution of the thrips problem is the belief of County Horticulturist Earl L. Morris. A time-consuming spray used during the last few weeks was killed all thrips in orchards where it was applied and has not injured the buds, so far as observed up to this time. The solution consists of 100 gallons of water, 100 pounds of lime, and ten gallons of crude kerosene. The formula is given in the horticultural press, and is being used by many growers.

Children Cause \$30,000 Fire. Minneapolis, Minn. Placed by a strong wind, a small house started in an alley by children at play caused a fire in the heart of a fashionable residence district, that caused a loss aggregating \$30,000.
